

United Structures, the leading Cold-Formed Steel Truss Fabricator/Erector in South Georgia is seeking a highly talented, energetic, motivated Executive to fill a multi-faceted leadership position. You will build and lead a team of construction professionals in the Cold-Formed Steel Truss fabrication and erection. The individual will have “hands on” responsibilities set to meet both short term and long term goals by establishing objectives and identifying key performance indicators that will set a dynamic, fast paced work environment. The individual must be capable of inspiring a cohesive office and shop environment that will maintain a company reputation as a leader in service and quality.

Requirements:

The ideal candidate will possess the following:

- 5-7 years of experience in a Senior Management and Executive level in the construction industry.
- A Bachelor’s Degree in Construction Management, Civil Engineering, Business Administration, Finance, or related field.
- Full P&L responsibility.
- Experience and competency to recruit, develop, evaluate and maintain high quality personnel.
- Ability to maintain and improve our corporate culture and core values.
- Full responsibility for
 - Sales and Marketing
 - Business Development
 - Accounting
 - Engineering
 - Manufacturing
 - Field Operation
- Develop and manage budgets and the execution of such budgets.
- Develop and manage strategic plans with focus on quality services, innovation and growth.
- Active in high level negotiations with clients.
- Play an active role in formulating/administering company policies and develop strategic goals.
- Must be charismatic, organized, highly motivated and proactive.
- Strong communicator, both verbally and in writing.
- Ability to work in a dynamic, fast paced operation.
- Proven ability to grow the business.

Compensation:

United Structures offers a competitive compensation and benefits package, as well as excellent opportunities for training and advancement.
