

United Structures, the leading Cold-Formed Steel Truss Fabricator/Erector in South Georgia is seeking a highly talented, energetic, motivated person to fill a Project Manager position. You will manage all activities associated with the construction of an assigned project. This may include managing or coordination with a team of Project Coordinators, Engineers, Production, and Field Erectors. The individual must be capable of inspiring a cohesive office, shop and field environment that will maintain a company reputation as a leader in service and quality.

Requirements:

The ideal candidate will possess the following abilities:

- 5-7 years of experience in a Construction Project Management.
- A Bachelor's Degree in Construction Management or Civil Engineering, or related field.
- Ensure that all contractual terms and obligations of assigned projects are maintained.
- Ensures projects meet cost requirements. Meets with Senior Management if costs exceed budget and obtains permission before approving out-of-budget costs.
- Assures proper accounting for project change orders.
- Negotiates and manages subcontracts.
- Assists the Engineering Department, Production Coordinator, Purchasing Department, and Customers in adhering to project schedules.
- Write Requests for Information and follow up with customers to ensure they receive all requested information.
- Meets with customers and vendors to identify potential barriers with resolutions that maximize production and minimize costs.
- Visits job sites as needed and required.
- Reviews plans and proposals and determines proper procedures in order to accomplish company goals.
- Ensure all aspects of projects are properly and thoroughly documented to ensure United Structures' interests are protected.
- Ability to maintain and improve our corporate culture and core values.
- Must be charismatic, organized, highly motivated and proactive.
- Strong communicator, both verbally and in writing.
- Ability to work in a dynamic fast paced operation.

Compensation:

United Structures offers a competitive compensation and benefits package, as well as excellent opportunities for training and advancement.
